**SUBJECT TERMS:** Searching for subject terms can also be useful. The CINAHL Editorial staff has assigned subject terms based on article content, resulting in broader results when you click the Suggest Subject Terms box above the **Find** field, prior to conducting a search. You can also click on the CINAHL Headings link along the top toolbar to browse for appropriate subject terms.

**RESULT LIST:** Note that you can narrow your results by clicking on a heading under the **Subject: Major Heading** category.

The screenshot shows the EBSCOhost search interface. At the top, there are navigation links: Keyword, Publications, CINAHL Headings, Cited References, More, Sign In to My EBSCOhost, Folder, New Features!, Help (circled in red), and Exit. The search bar contains the text "diabetic foot" and "Select a Field (optional)". Below the search bar, there are options for "Suggest Subject Terms" and "Advanced Search | Visual Search". On the left, there is a "Narrow Results by" section with two expandable categories: "Subject: Major Heading" and "Age". The "Subject: Major Heading" category is expanded, showing links for Diabetic Foot, Foot Care, Diabetic Patients, Wound Care, Self Care, and Diabetes Mellitus. The "Age" category is also expanded, showing links for Middle Age, 45-64 years, Aged, 65+ years, Adult, 19-44 years, Aged, 80 and over, Adolescence, 13-18 years, and Child, 6-12 years. In the center, there is a list of "All Results:" with three items, each with a "Prev" or "Next" link. On the right, a help window is overlaid. The window title is "http://support.ebsco.com - EBSCOhost Research Databases - EBSCO Help - Microsoft Int...". The window content includes the EBSCO logo, a "Print" button, and a "Close" button. The main heading is "EBSCOhost Research Databases". Below the heading, there is a paragraph of text: "EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers." This is followed by another paragraph: "The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries." Below this, there is a section titled "EBSCO Support Site" with a paragraph: "EBSCO's Support Site is available 24 hours a day, 7 days a week. Our FAQ database, tutorials, and user guides can provide answers to your technical questions. EBSCO Customer Support Representatives are available Monday through Friday from 4 a.m. to 8 p.m. (EST) and Saturday and Sunday from 9 a.m. to 5 p.m. (EST)." Finally, there is a section titled "How to Use Help" with a bullet point: "When the Help icon appears, you can click the icon and help for the screen you are on will display."

HELP: Click on the Help link to view the complete online help manual, and visit our support site at <http://support.ebsco.com> to browse our Knowledge Base of FAQs, download Help Sheets, User Guides and online tutorials, or see what's new in our Top Stories. This concludes the CINAHL Basic and Advanced Searching tutorial.
