

Self-Study Pavilion

Sunday-Thursday

- Exclusive sponsorship of entire Pavilion available, or sponsor individual units if no overall sponsor.
- Large banner with sponsor name and logo for exclusive Self-Study Pavilion sponsor.

E-Learning Lab

Sunday-Thursday in Self-Study Pavilion

- More than 4,000 visits by acute and critical care nurses using the Self-Study Pavilion and the E-Learning Lab throughout the NTI. In the lab, participants strengthen their skill in using the Internet and other e-learning technology to maintain current clinical knowledge.
- Sponsor name/logo on the lab entrance unit and screen savers for up to 60 computers. Bonus sponsor recognition during related concurrent sessions held in classrooms throughout the conference.
- AACN selects computer provider and software, determines educational content and monitors access.

PDA Learning Lab

Sunday-Thursday in Self-Study Pavilion

- More than 4,000 visits by acute and critical care nurses using the Self-Study Pavilion and its PDA Learning Lab throughout the NTI. In the PDA Lab, nurses learn about this new technology using AACN clinical information software.
- Sponsor name/logo on the PDA Lab entrance unit and screen saver on up to 25 computers.
- AACN selects computer provider and software, determines educational content and monitors access.

Independent Study Center and Reference Library

Sunday-Thursday in Self-Study Pavilion

- More than 4,000 visits by acute and critical care nurses using the Self-Study Pavilion and its ISC-Library throughout the NTI. Here, nurse participants earn continuing education credits in a self-paced learning environment using a vast library of AACN audio, video and electronic sources.
- Sponsor name/logo on the ISC & Library entrance unit and screen saver of up to 10 computers.
- AACN selects computer provider and software, determines educational content and monitors access.
